

## **Club Growth Director Report – DEC Meeting 11/19/22**

It is a pleasure to present my report. The Club Growth Committee is meeting on the 2<sup>nd</sup> Sunday of each month. The immediate goal is membership retention, especially amongst clubs with low membership.

Ken Richardson, Program Quality Director, had a good meeting with Credit One Bank executives. They know of Toastmasters and we believe we can get a club chartered in short order. Special thanks to Area Director Warren Stender for initiating this.

The Trio recently met via Zoom with Region 2 Advisor Denise Carpenter. She is fully aware that the membership issues facing District 115 are not unique. Denise recommended that we do everything we can to get struggling clubs up to the 8-member base needed to be in good standing. Any club that charters would be an added bonus.

I want to express my sincere thanks to the entire Club Growth Committee: Gene Dunford, Guy Dawson, Karen Moraio, Phyllis Tribby, Mike Keelers, Ken Richardson, and Jean Williams.

Respectfully submitted,

Scott Transue ACB CL  
District 115 Club Growth Director
