

D115 Realignment Report
D115 District Executive Committee
2-11-2023

A committee was formed with representatives from each of D115 four divisions to discuss realignment. It was decided that we needed to keep our four divisions intact. We reviewed the current membership numbers for each club. Division D had the most clubs meeting the minimum membership requirements. However having four areas in each division presented issues that needed to be addressed. Three clubs from Area D-4 were moved into Division A and two clubs from Area D-4 were moved into areas D-1, D-2 and D-3 to make these areas in compliance and stronger. Areas A-4, B-4 and C-4 were moved into the three remaining areas in each of the three divisions. Area B-4 which is the Utah clubs will now become Area B-2. All of these changes will be effective 7/1/2023.
