

Dear DLC,

In the past years, I have grown a lot as a Toastmaster and in District Leadership. I served as District's 115 PRM for 2 consecutive years. I was consistent in bringing awareness to the district. I've served as club officer in my clubs almost every year since becoming a Toastmaster. Currently, I am Division D Director for D115 and I'm learning about obstacles, challenges and how to overcome them. We have a long way to go to grow and I hope as the Program Quality Director, I can be instrumental in the growth.

I love to educate, train and inform members. I believe in the Toastmasters' program and would like to reinforce the program as the District's Program Quality Director.

I look forward to hearing from you.

Jennifer Smith
